Golden Tours Ltd

MON, 22 OCT 2018

Kick off your exhilarating day out in London with a panoramic guided tour of the capital's most well-loved landmarks. Familiarise yourself with one of the most popular cities in the world from the comfort of your seat, and use your camera or smart phone to get snap-happy.

After driving past the historic royal wedding and coronation venue of Westminster Abbey in Parliament Square, you'll have to tear yourself away from Westminster. The next stop is the equally enchanting St Paul's Cathedral. Stretch your legs and explore this dominating church – the towering dome masks a number of tombs, memorials and intricately painted mosaics. See the world-famous Whispering Gallery, the Golden Gallery and the Stone Gallery as you discover more about Sir Christopher Wren's masterpiece and the wedding venue of Princess Diana and Prince Charles.

We can't guarantee the Queen will be home (be sure to look out for the flag!), but a photo stop outside London's Buckingham Palace is still a royal treat. Watch the Queen's Foot Guard march to the palace alongside a military band during the traditional Changing of the Guard ceremony – they'll be decked out in their eye-catching red outfits and bearskin hats.

We will visit Horseguards Parade when the ceremony is not available.

Santorini, Greece

SAT, 03 NOV 2018

Santorini is one of the Cyclades islands in the Aegean Sea. It was devastated by a volcanic eruption in the 16th century BC, forever shaping its rugged landscape. The whitewashed, cubiform houses of its 2 principal towns, Fira and Oia, cling to cliffs above an underwater caldera (crater). They overlook the sea, small islands to the west and beaches made up of black, red and white lava pebbles.

Santorini is considered to be the most sought after place for a romantic getaway in Greece, since there are not many places in the world where you can enjoy exquisitely clear waters while perched on the rim of a massive active volcano in the middle of the sea! The island has a growing reputation as a "wedding destination" for couples not only from Greece but from all over the world.

Firá is the picturesque capital of the island; perched high up on the edge of the Caldera, it looks like a marvellous painting. Firá, together with Oia, Imerovigli and Firostefáni located high above on a cliff, make up the so-called "Caldera's eyebrow", the balcony of Santorini, which offers an amazing view of the volcano.

For certain airfares, changes cannot be made after reservations have been ticketed.

Cancellation of your vacation:

Cancellation of your trip must be received in writing. Your ground arrangements cancellation charges are calculated as at the date when the written cancellation is received by us and as a percentage of your package price excluding any travel insurance premiums which are generally non-refundable if you cancel. Most airline tickets are non-refundable once purchased, however should any refund apply we will process the refund on your behalf less an administration fee of \$75 per person.

Where any cancellation reduces the number of passengers traveling together on a family, friends or group trip we will recalculate the updated package price and re-invoice you accordingly.

Special requests:

If you have any special requests, please inform us at the time of making your booking. We will make every attempt to ensure that the request is honoured; HOWEVER we cannot guarantee such special requests will be met.

Baggage allowances:

No two airlines follow the same baggage policy. As a rule, you are permitted the International baggage allowances (minimum 25 kilos) when all your flights are issued on the same coach ticket. If you have different airlines issued on separate tickets, different baggage allowances will apply on your trip. When travelling in premium economy, business and first class, additional baggage allowances will apply. In most cases your individual baggage allowance is clearly listed on your airline Eticket receipt or outlined in this itinerary. For smaller aircraft, should you have any questions please ask your Travel Company consultant. Note for certain small aircraft & helicopter transfers a restrictive baggage allowance will apply. In such cases your Travel Company consultant will advise you of the restrictions and in most cases baggage can be stored at the airport or operator's departure location should your wish to.

Seat assignments:

Where possible your Travel Company consultant will pre-assign complimentary seating when available. In many cases the airlines flying to Australia, New Zealand & the South Pacific no longer offer complimentary pre-assigned seating and seats can now be selected on the airline website. If you would like to pre-purchase seating for your flights please use the airline booking number listed on your flight itinerary/Eticket receipt and select seats and pay directly to the relevant airline. When selecting seats you will be given many options to consider besides standard seating such as extra legroom and exit rows. If you would like to receive pricing options to upgrade your seat to a Skycouch, premium economy or business class seat please contact your Travel Company consultant for an exact quote.

Frequent Flyer Mileage accrual:

Most airlines that fly to Australia, New Zealand & the South Pacific partner with US-based airlines to enable you to accrue mileage on a partner airline. Your Travel Company consultant can enter your frequent flyer number into your reservation but by doing so is not a guarantee of mileage accrual. Many airlines no longer pay mileage on the lowest coach booking classes. In many cases, no mileage will apply for sale fares and in most discounted coach class airfares the maximum mileage accrued is 50%. Premium economy, business class and first class reservations usually earn full and bonus mileage. Travel Company does not take responsibility for the airlines policies for non-credit of mileage for certain airfare booking classes. Please ask your Travel Company consultant if you require more information.

Keeping informed on the move:

To keep informed of any possible flight schedule changes or cancellations whilst you travel we recommend downloading the Tripigo application if you travel with a Smartphone or tablet. We can use your preferred email address and you will receive email notifications from the airlines in regard to your flights. As well as flight notifications, the app provides many more features whilst travelling such as local airline contact numbers, directions to your departure airport and local weather conditions.
